

Wetlands Permitting Workshop

presented by

U.S. Army Corps of Engineers, Galveston District

Mr. Kenny Jaynes and Mr. John Davidson, seasoned veterans of the Corps' Regulatory Compliance Section, will discuss regulatory changes associated with the anticipated Regional Supplement, suggest methods for helping the Corps move forward in a more timely manner (such as properly filling out the new JD form) and provide additional updates to assist the regulated community with compliance issues.

hosted by

American Public Works Association –
Southeast Texas Branch

and

Society of American Military Engineers –
Houston/Galveston Post
