PRESIDENT’S MESSAGE: PLANNING AHEAD

December is here and 2010 is just around the corner. Time marches on. I hope December 7th is on your calendar for our scholarship fundraiser. Or that you will attend the Small Business Conference December 7-9 in Grapvine, Tx. The Small Business Conference will prepare small business leaders with the tools needed to understand how to do business with DOD agencies, find teaming partners and learn about upcoming programs, projects and contract opportunities.

2010 JETC

As you plan for 2010, consider attending the Joint Engineer Training Conference and Expo (JETC) May 4-7 in Atlanta, Ga. JETC 2010 has something for everyone in the A/E/C, environmental or facility management fields working in the public or private sector. JETC 2010 will feature six technical tracks addressing timely issues affecting the A/E/C and environmental fields, including Contingency Operations, Installation Management, Design and Construction, Water Resources, Environment, and Professional Development. The technical program lays the foundation for the event, supported by an informational Expo area, exciting technical tours and ample networking and social events.

2010 PROGRAMS

For the first half of 2010, our Program and Committee Chairs are finalizing a list of speakers that are sure to be of continued interest to our membership. Continuing Education credits will be issued at each of our meetings. I encourage you to put these meetings on your calendar and involve yourself in the networking, learning, and career development opportunities of the Post

CLOSING

Take time right now to plan for 2010. As it has been said, "You need a plan to build a house. To build a life, it is even more important to have a plan or goal." Or in the words of Zig Ziglar, "If you don't know where you are going, you will probably end up somewhere else."

FAST START PLAN AND RHS APRIL 2010 WORKSHOP:

We will be holding a Committee meeting in November and December to establish RHS workshop preparation action items for the April Workshop Agenda.

This was a well attended successful workshop last year and our goal as a committee is to establish an interesting venue for next year's meeting.

We will continue to educate sustaining members on the importance of their capabilities and that they can be utilized during disaster recovery efforts.

Attached below to find out how you can update your firm's information. We will be highlighting these firms that have participated in sending their information to us at our future meetings to show our appreciation for their continued support.

We are continuing work to upload the database for S.A.M.E. firms' capabilities to the Texas Regional Response Network (TRRN). The date and location of our RHS meetings will be announced in the next several days.

Food Bank - Herzstein Facility

3811 Eastex Freeway
Houston Texas

Details for "Share Your Holidays w/the Houston Food Bank"

This year the Houston-Galveston Post will be volunteering by answering phone for the Houston Food Bank. We are needing 6 to 10 volunteers for this event.

Please take a few minutes to read the message below from the Houston Food Bank about this event. "Each year, thousands of Houstonians call our Share Your Holiday's Hotline to receive assistance during the holidays. Our organization anticipates the number of calls to be even greater this year. Twenty-five volunteers age 16 and up are needed to staff our phone bank each shift. It's perfect for high school groups, corporations and individuals wanting to help their community."

Date: December 2

Time: 4:30 PM to 7:30 PM

Where: 3811 Eastex Freeway (Herzstein Facility)

Details for "Elves & More"

Good day Post Members,

In the years past the Post has volunteered to help Elves and More build bikes. This year the Post has decided to deliver bikes to the children.

Delivery day is December 19. We will meet the caravan at Reliant Park at 7:30 am and ride to the preselected schools or campuses. Lunch will be provided.

Our caravan leader is Mr. Eric Potts. When you arrive you can look for either Mr. Potts or myself. For additional information please check out www.elvesandmore.org or the information below.

Bicycle Program

Over 5,000 volunteers are expected to be involved in the 2009 Elves & More Bicycle Program. If adequate funding arrives in time we will assemble and deliver 10,000 bicycles to change the lives of children. If you'd like to help, please make a [donation](#) today.

Half our volunteers are children, aged 9 and up. At or above that age, children can be taught to build bikes. By taking them on the bike delivery, you'll enrich their lives for a lifetime by making them appreciate what they have and, more importantly, by showing them that others less fortunate than they are need their help in life.

Parking

All parking fees have been eliminated by Reliant Park, just tell the parking lot attendant at the gate you are an Elves & More volunteer and they will direct you as to where to park.

The 3rd Annual Ken Haveman Scholarship Golf Tournament is being held on December 7, 2010. As of this writing we have 13 teams registered for the event; thank you to all those who are participating; there is still time to Sponsor or Play. Please consider a Sponsorship and get your forms in to Tom Martens trmartens@terracon.com as soon as you can; your payments can follow.

The Houston/Galveston Post Education & Mentoring Fund Raffle, previously the Scholarship Raffle, began at the February meeting. **If you missed a chance to participate in 2008, have no fear; we are back in 2009 Contact Edward Hohlt with your donations. Thus far our raffle items have been few and far between; please help us raise money for our students.** Donations by Members and Sustaining Members are welcomed, desired and appreciated. This money helps subsidize the annual Post Scholarship awards to high school and college students, sending Texas A&M Chapter students to National and Regional meetings, sending future leaders to National leadership training events and sending students and mentors to SAME summer construction camps.

PLEASE SUPPORT OUR EDUCATION & MENTORING FUND RAISERS. The 3rd Annual Ken Haveman Scholarship Golf Tournament will be at Timber Creek Golf Club, December 7, 2009; please consider sponsoring for this event. Just think, if just 36 of our 74 Sustaining Members could sponsor a team and the rest of our non-Public Agency Sustaining Members could choose another sponsorship; we could double our Mentoring and Scholarship commitment to our youth.

PLEASE SUPPORT OUR 2009 RAFFLES- Contact Edward Hohlt with your donations. Raffle prize donations are always appreciated. As a thank you for the donation, Sustaining Member firms will be offered time to give a brief, two minute speech about their firm before the drawing. Individual Members are welcome to donate prizes and will be recognized individually for their contribution. Please call **Edward Hohlt, Post Assistant Secretary at (713) 821-0434** if you would like to donate a raffle prize.

TAMU CHAPTER

President: LOGAN ROTH - E-Mail: newt_89@hotmail.com

Howdy,

The 2009/2010 officers are:
President: Logan Roth
Vice President: Kirra Brooks
Secretary: Matt Whitaker
Treasurer: Brian Anderson

TAMU Student Chapter is already having great year. Our November meeting was excellent; Mark Dornak, Project Manager and Pete Falletta, P.E. Office Manager for Terracon hosted us at their office. Mr. Falletta gave our members a great presentation on what Terracon does in Geotechnical, Environmental and Construction Materials Testing; followed by Mr. Dornak giving us a super tour of their lab facilities and oh yes, Pizza and Drinks. Thank you Mark, Pete and Terracon for having us in for the meeting. There were twelve of us that attended and we learned a lot.

Our next meeting will be in January, 2010 we are scheduling a tour of the new building next to the Zachary Civil Building. Professor John Walewski will be taking us thru the construction area to show us the newest "Green" building on campus. The date will be announced in the January Wordpasser. In February we plan to have a field trip to Ellington Airport to visit the 147th Reconnaissance Wing, Texas National Guard.

If any Houston/Galveston Post members have a design or construction project at TAMU or in College Station/Bryan and wish to present a project to our student chapter we would really like to have you do it, please let Buddy Barnes know and he will schedule the presentation. Our meetings have usually been the third Tuesday of the month, but to avoid test schedules and increase the opportunity to attend we will occasionally have the meetings on other Tuesdays and even other days – like January 2010 may be Friday or Saturday.

Have a safe Holiday Season and see you in January.

As always we invite the Houston/Galveston Post members to attend and meet members of the student chapter.
